## Summary

I am a Creative person with a focus on stories that reflect on the world we live in, even if they're abstract or fiction, the connection with us as humans still needs to resonate with the viewer. My background as Brazilian and Norwegian has given me an insight to cultures at the opposite end of the specter, enhancing my understanding of the world and different ways of telling stories.

## Education

**Film Bachelor of Science at Full Sail University**  
**Specialisation:**  
Film Director
